

KING'S CHILDREN'S CENTER

Morning & Afternoon Extended Care Fee

Morning and Afternoon Extended Care at King's Children's Center is a before and after preschool program designed to service the growing needs of King's families with children between the ages of 18 months and 5 years old. By providing an on campus program, parents do not have to worry about where their children go before and after preschool. King's Children's Center is open before preschool from 7:00am – 8:30am and after preschool from 3:30pm – 6:00pm.
