

King's Elementary Missions 2015 - 2016

THEME: Serving Others In The Name of Christ

“Let your good deeds shine out for all to see, so that everyone will praise your Heavenly Father.” *Matthew 5:16*

Missions is an integral part of the philosophy of King's Schools and the curriculum at King's Elementary. Our emphasis is, *loving people to Christ with our gifts of time, talent, and financial resources both in our local community and around the world.* Your whole-hearted support will ignite your students' passion to serve others for God's glory! Be sure to make your Missions Bulletin Board a focal point for students and parents. We realize that our students and families will connect to the various projects with different levels of participation and enthusiasm. Please pray for God's leading in the ministry
