

Welcome to King's Kids Club 2016-2017!

King's Kids Club is a K-6th grade Before & After School Care of King's Schools that is licensed with the Washington State Department of Learning.

When you enroll your child to attend King's Elementary School, he or she is automatically registered in King's Kids Club (KKC) for extended care. Student care is billed at the hourly rate of \$9, based on actual usage, unless a package option has been selected. Monthly packages offer significant savings for those that desire regular care coverage through the school year. **To register for one of the package options below, please complete the Package Agreement and return to Elementary office by August 1, 2016.**

KKC Package Agreement schedule is based on the Elementary School calendar school days from the first day of school to the last and divided up in ten monthly payments beginning September 1, 2016 and ending June 1, 2017. Below are the KKC Package descriptions and savings.
