

## Welcome to King's Kids Club 2017-2018!

King's Kids Club is a K-6<sup>th</sup> grade Before & After School Care of King's Schools.

When you enroll your child to attend King's Elementary School, he or she is automatically registered in King's Kids Club (KKC) for extended care. Student care is billed at the hourly rate of \$10.00, based on actual usage, unless a package option has been selected. Monthly packages offer significant savings for those that desire regular care coverage through the school year. **To register for one of the package options below, please complete the Package Agreement and return to Elementary office by August 1, 2017.**

KKC Package Agreement schedule is based on the Elementary School calendar school days from the first day of school to the last and divided up in ten monthly payments beginning September 1, 2017 and ending June 1, 2018. Below are the KKC Package descriptions and savings.

We are delighted to be adding more extended care packages with expanded coverage options and even greater cost-savings.

- **AM Only**, about at 17% savings off the hourly rate, includes Morning Hours Only on regular school days.
- **PM Only**, about a 17% savings off the hourly rate, now includes After School Care plus Early Dismissal Days.
