Additional Optional Fees

King's strives to make our tuition inclusive and does not charge additional fees for textbooks, supplies, field trips, and many of the special programs and activities that enrich our students' learning experience. However, additional fees are assessed for some of King's elective courses, interscholastic athletics, and competitive activities (i.e. Mock Trial, DECA, and Robotics). Knights Fund – Be All In for King's!

Please consider including a pledge to the Knight Fund during enrollment to be paid with your tuition payment or make a gift online at www.kingsschools.org. The Knight Fund touches every facet of King's and supports our academic programs and activities, special services, faculty professional development, and provides our students with many opportunities that are not funded through tuition alone. To bridge the gap and create capacity for new programs, we rely on generous contributions from parents, alumni and friends of Kings. Our entire community is asked to make a tax-deductible donation to the Knight Fund each year.
