

INSPIRATION HAPPENS HERE

APPLYING TO KING'S PRESCHOOL

King's Schools is committed to “**Inspiring hearts and equipping minds to serve God for His glory.**” We seek to accomplish this by integrating a biblical philosophy of education, Christian principles and scriptural truths with challenging academics and engaging social experiences. Our policy regarding admission to King's Schools attempts to reflect the philosophy of our school. Each applicant is encouraged to visit our school. We desire to enroll students who will exhibit the biblical values of showing care and concern for others in our school community, as well as, an enthusiasm for the learning process. **Inspiration Happens Here!**

Apply online at www.kingsschools.org

STEPS IN THE ADMISSIONS PROCESS

STEP ONE: Submit a completed application and a non-refundable application fee of \$50 per student online through the admissions page on King's website: www.kingsschools.org.

STEP TWO: After application submission the preschool office will contact you to schedule a meet and greet interview. Both student and parents are expected to attend the meet and greet interview.

STEP THREE: The meet and greet interview will be conducted and family will be notified of placement availability.

STEP FOUR: Following acceptance and placement decision, a notification will be sent from the business office via email with instructions to complete an online enrollment process, including registering for Smart Tuition and payment of a non-refundable registration fee of \$225.

STEP FIVE: Once the online enrollment process is complete, you will begin receiving information from the preschool office to prepare your student to begin school.

We hope you will continue your child's education at King's far beyond preschool. Once enrolled at King's Preschool you will reenroll your student for the next year each February. You do not need to reapply for entrance into Elementary School, Junior High, or High School. Financial Aid assistance is available to families with children in Kindergarten through twelfth grade. For more information about Financial Aid please contact the King's admissions office.
