

Building resilient disciples of Christ

KING'S ELEMENTARY SCHOOL

Grades K-6

KING'S
ELEMENTARY™

PART OF THE CRISTA MINISTRIES FAMILY

KING'S ELEMENTARY

At King's Elementary we are building resilient disciples of Christ. Students are curious about life, eager to learn new things and excited to share their knowledge with others. Our teachers foster a culture of creativity and serve our students with the Gospel of Jesus Christ.

SPIRITUAL LIFE

Inspiring and transforming lives in a spiritually vital, caring school community to serve God for His Glory. Our goal is to teach, mentor, equip and disciple students to be in a relationship with Jesus Christ.

BIBLICAL WORLDVIEW

King's Schools delivers an exceptional Christian education instructed by called, caring individuals that believe and have professed their personal faith in Jesus Christ. The King's educational experience distinguishes the Bible as supreme authority with all classes taught in a Biblical Worldview.

CURRICULUM

At King's, one lesson builds upon another so knowledge is gained systematically and skills are acquired according to a child's developmental level. We teach facts and figures, but more than that, we teach children how to problem solve, analytical thinking, collaboration, and social responsibility.

King's Kids enjoy an array of specialists in Fine Arts, Spanish, Physical Education, Technology, Music, and Library. Having a wide range of opportunities to learn gives students the connections needed to apply academics to real life situations.

DISCOVERY FRIDAYS

Students engage in a wide range of innovative, enriching labs in the areas of Science, Technology, Engineering, Math, Robotics, Art and Music. Every lab enhances and inspires students through hands-on inquiry.

Sample labs include | Journey through Space, Tornado in a Bottle, Rethink and Reuse, Lego Merry-Go-Rounds, and Amazing Aviation: Blast off with Rockets.

STEM

SCIENCE | With inquiry-based strategies and increasing in complexity, students gain investigative skills as they study God's creation — the earth, solar system, animals, and human body.

TECHNOLOGY | Students will learn how to navigate technology and programing skills.

ENGINEERING | From simple machines to Robotics, students learn to design, construct, implement, and systematize while participating in activities such as Geocaching, Mindstorm robots, 3D printing and many other challenging activities.

MATHEMATICS | Students learn skills and concepts through ability based math classes leading to an increasingly higher problem solving and critical thinking.

FINE ARTS

ART | Students actively participate in creative art forms and gain art literacy as they learn about the history, genres, and styles of art.

MUSIC | Students participate in vocal music and perform with percussion instruments throughout grades K-6. As they advance from basic skills to more advanced students have the opportunity to perform and lead worship at Kids Praise. In addition, we offer band at the 5th & 6th grade level.

SOCIAL SCIENCES

SOCIAL STUDIES | Students learn the history and geography of our nation and other parts of the world, gain an understanding of the United States government, and engage in cultures through research, drama and art.

HEALTH SCIENCES AND PHYSICAL EDUCATION | Students learn the elements of a healthy lifestyle, increase in physical ability and gain skills in teamwork, cooperation and communication through sports, games and other activities.

LIFE SKILLS | Students learn to communicate effectively, become distinct leaders, navigate social situations with respect and responsibility through our enrichment programs that encourage students to grow beyond the classroom.

"My child is gaining more than just an education at King's Elementary, she is forming a firm spiritual foundation, creating life-long friendships, in an environment where she is truly loved and cared for by her teachers."

- King's Elementary Parent

MISSION AND VISION

MISSION

King's Schools provides an exemplary Christian education serving the needs of students with the Gospel of Jesus Christ.

VISION

Inspiring and transforming lives in a spiritually vital, caring school community to serve God for His glory.

PURPOSE

King's Schools exists to deliver an exceptional Christian education instructed by called, caring individuals that believe and have professed their personal faith in Jesus Christ. The King's educational experience distinguishes the Bible as supreme authority in life and equips our students to be leaders able to live out their faith as a practical demonstration of God's love.

WHY

Because outstanding academics are not enough. At King's Schools, we are committed to providing an outstanding Christian education in which our students are disciplined to and built up spiritually as much as academically.

4 PILLARS OF KING'S SCHOOLS

CHRISTIAN FORMATION

We teach, mentor, equip, and disciple the King's community to be in relationship with Jesus Christ.

ACADEMIC EXCELLENCE

We deliver excellence in education through academics and extra-curricular programs.

CARING COMMUNITY

We cultivate internal and external relationships where the King's community is recognized and valued as image bearers of God.

SOLID ROCK FOUNDATION

We steward and strengthen resources that fulfill the mission and vision of King's Schools and provide for the sustainability of the ministry.
